present at the marriage.

Baron and Baroness de Vriere have gone to Servia, the former having been sent to that distant point on a diplomatic mission from the Belgian government. They had, as usual, expected to return here for the winter. Mrs. Heyward Cutting, the latter's mother, sailed on Saturday to join them.

Socially it was pretty dull in New York last

week, although some of the most entertaining me, too."

members of the diplomatic corps were there.

It was the calm after the storm—that is the horse show. Still invitations are flying around as thick as the leaves were a fortnight ago, and the prospect ahead is gay to the last degree.

On December 10 a young lady much better known here than in New York perhaps, Miss Pauline Whitney, will make her debut. Mr. and Mrs. William C. Whitney will make the coming out of their daughter an event out of the company. the common. Saturday night parties are pro-verbially early ones. At this the real program will be some professional singing of the highest quality and selections from a large orchestra. These are the sounds that will be heard for the first time this season in their reopened white and gold ball room, and this is the entertainent Mrs. Whitney has selected for her daughter's debut.

Mrs. Cleveland and Baby Ruth are enjoying the calm of Lakewood after the exciting weeks they spent lately in New York. Instead of her presence all the people who expected to en-tertain her last week received regrets. It is hoped, however, that both the President-elect and Mrs. Cleveland will be back for the Patriarchs' ball on the 12th. At Lakewood the latter is taking no part in the large gaveties, but is having a quiet time with intimate ac-

He will study church architecture during his short stay in Italy, with a view to using the knowledge so obtained in the plans of the new St. Matthew's. Mr. and Mrs. Ffoulke have invitations out for dinner on December 10. Mr. and Mrs. Hiram Barney of New York and

their young daughters have been visiting Gen. and Mrs. Schofield. The ladies are sisters and it is the first visit Mrs. Barney has made to her sister since the latter's marriage to Gen. The Secretary of State and Mrs. Foster have

A register is never clubbed "Yes, sir; I am decidedly in favor of the pro-

the time, making no effort to secure a fall. The work upon the horizontal bar and flying rings was the feature of the evening in gymnastics and the performers were liberally applanded for their difficult and daring work. In this part of the program Sewell, Hough, Lee and Ross took part. The surprise of the evening was the very pretty brother act in acrobatics by two of Prof. Crossley's juniors and of whom he seems very proud. They are Shreve and Ball, and their work was well done. In the running high jump Hough, Sewell, McElhone and Ross took part and again Hough showed his superiority and cleared the bar at five feet two inches, the others in the order named. He afterward made the jump in exhibition at five feet four inches. the jump in exhibition at five feet four inches.

J. S. and O. E. Carter, brothers of George

The spheres of the sexes are clearly defined.

The spheres of the sexes are clearly defined. J. S. and O. E. Carter, brothers of George Carter, the well-known boxer of the club, gave an exhibition with the gloves in three two-minute rounds. Both showed some knowledge of the art, and while they did some lively sparring no damaging blows were given. It being merely an exhibition no decision was rendered.

The resulting match between Ernost Schaft the support of the sexes are clearly defined, but manfully. The woman is complete owner of the house and all it contains save his personal trinkets, and she has no other work to do than housework, at which she is no sloven.

Should her husband ill treat her she could permanently eviet him from home, and would be arched in so done. The man tills the fields "No, only one. You see that's Wagner music and I must say it always sounds like forty to The wrestling match between Ernest Schaf-hirt and J. W. Mitchell, in two three-minute bouts, was a lively exhibition, and the former shows remarkable improvement in his work. The men were very evenly matched, though Schafhirt had the advantage in weight to the extent of six pounds, he weighing 150 pounds, and won the match, he having secured the only fall time being selled he having secured the only fall time being selled he having secured the only and won the match, he having secured the only fall, time being called before the completion of the second bout. Later on Dr. W. G. Schathirt the second bout. Later on Dr. W. G. Schathirt The Reason for Going to College is to Have and Harry Blunt gave a fine wrestling exhibi-

What an Old Pistol Bought for Five Cents and a Rabbit Trap Did.

Crossley, 9.6; McElhone, 8.3; Sewell, 8.1; Lee, nor choked into acquiescence, but is overpowered without a scratch. A drunken vagabond once shot a woman in

The wrestling bout between the juniors, Lee and laussig, gave promise of being an interesting affair. It was a contest in two bouts of three minutes each. Neither man made a fall and the match was given to Taussig for doing all the work. Lee being on the defensive all the time, making no effort to secure a fall. The work upon the horizontal bar and flying rings

tion in three three-minute rounds, and both contestants being nearly equal in strength and weight, the first and second bouts were very interesting, each having secured a fall. The third swer the question why a girl goes to college, teresting, each having secured a fall. The third round was very exciting, both men being on the aggressive, and at the call of time neither had secured the deciding fall and the match was a draw.

his broken pistol to shoot the little sparrow.

Just as he was about to shoot his brother Jonathan appeared and the bullet intended for the bird entered his right breast just above the nipple. Edward looked to see the bird fall, but instead of the bird he saw his brother fall, and give a screen. Edward was hadly fright.

From Frank Leslie's Weekly.
Sir Edwin Arnold said in one of his books that there are no words to swear with in the Japanese language, and that people cannot possibly insult each other in that polite tongue. I am sure that the great English poet, who

sporting fraternity were spectators at a cocking tended any political meetings in Japan, and if

Lodgings.

From the Pall Mail Gazette.

The action brought by Miss Anna Parnell, the sister of the late leader of the Irish party, to recover damages, under singular circumstances, for being evicted from the York Hotel, South-

Alexandria was quite dull yesterday in the somber weather and either stayed at home or went to church. The services were well attended at all the churches. At the Trinity M. E. Church Presiding Elder Porter made his official visit and preached. President Nevins of St. Thomas' College of the Catholic University preached at St. Mary's Catholic Church in the morning and at high? Rev. Father Tierney of Richmond gave an instruction. Rev. W. McD. White occupied the pulpit of the Second Presbyterian Church.

TIRE ALARM.

An alarm of fire sounded about 7 o'clock called out the fire department, but no cause for the alarm other than some of Alexandria's young throats was discovered.

Crying for Nothing.

Crying for Nothing.

The second residuation of the Congress having failed, as it is supposed, by inadvertence, to make appropriations for the cases of the United States courts, those of the District courts have been supposed in the sounded about the sounded alout the States courts, those of the District courts have been been converted and had nothing since 9 a. m. the previous day she was famished. It was perfectly true that the room she engaged was prevent and as the had had nothing since 9 a. m. the previous day she was famished. It was perfectly true that the room she engaged when the sounded as the special true that the room she engaged when the strength of the special true that the provious day she was famished. It was perfectly true that the room she engaged when the strength of the same previous day she was famished. It was perfectly true that the room she engaged when the same than the sounded were strength in the space. The landlady said she must be either mad or drunk to have behaved as she idd, but the space. The landlady said she must be either mad or drunk to have behaved as she idd, but the space. The landlady said she must be either pockets for corn or wheat. A few days are followed the same that the bed occupied almost all the space. The landlady said she must be either pockets for corn or wheat. A few da In cross-examination Miss Parnell said that band of geese. A white gander was struck
